### BIRTHDAYS

Vyacheslav Slavic BEATY - **May 5**  
**from last week**  
Matney Maria JUNTUNEN - **May 3**

"I congratulate you on today's feast, the resurrection of the Son of God, which is celebrated for seven days, that is, for a whole week, and every Sunday throughout the year, because the resurrection of the Son of God is the most important event in the Economy of our salvation that He established. With His whole life on earth as God-Man, He established the Economy of our salvation... The Holy Apostle Paul says that "...if Christ be not risen, then is our preaching in vain, and your faith is also in vain" (1 Cor. 14:15). But Christ did rise, and here the Apostle Paul and the other Apostles were ready to lay their lives down for this faith that they preached to all people, and that is preached to us today. Of course, it is not easy for us humans to believe this. The way we are in our families: how much hatred, how much animosity, how much misery is found in the family where loved ones are bound by blood to each other; not to mention in international affairs, and the misfortune of war...

God so loved the world, us humans the way we are, that He gave His Only-Begotten Son that anyone who believes in Him would not perish. Let us keep this before our eyes always, and we will preserve ourselves from all evil toward our loved ones, and our people, and the whole world. Thus, indeed, we will be found worthy of the Kingdom of God for which He created us. Happy Feast day to you and to all. Christ is Risen!"

– Pavle, Patriarch of Serbia
